Visit Art Where It's Made

Welcome to the 15th Annual Philomath Open Studios Tour. This free, self-guided event includes 42 artists at 16 sites in town and on the back roads surrounding Philomath.

Make the Studio Tour your OWN event!

There are no rules or particular order in which to visit the studios. Browse through the images in this brochure, use the enclosed map and plan your route. Information about each artist and their work is available at **PhilomathOpenStudios.com**. Distinctive yellow Tour signs along the roadways keep you on track. You'll be surprised where art is made. See you on the Tour!
