Visit Art Where It's Made

After a two year hiatus, we are very happy to reopen our studios during the 16th Annual Philomath Open Studio Art Tour and Sale. All are welcome to visit the studios of artists who create with paint, pencil, pastels, fabric, glass, fiber, wood, clay, metal, photos, and jewelry.

See and buy the artists' work, discover how it is made and what inspires it. This free, self-guided event at 10 locations in and around Philomath includes 23 unique artists. Browse through the images in this brochure, use the enclosed map, and plan your route. More information about the artists and their work is available at PhilomathOpenStudios.com. Distinctive yellow Tour signs along the roadways keep you on track. We hope to see you on the Tour, and look forward to sharing our work with you.

In case of new government COVID mandates, these will be observed. Otherwise, COVID precautions are decided by individual studios.
